A Virtual Eckankar Light & Sound Service

Please join us for our Service via Zoom on July 18 at 11AM titled "How God Speaks to Us."

To register, visit [Reno Spiritual Explorations](#) on Meetup.com. Look for the Eckankar Light & Sound Service announcement and click on the red "Attend online" button. You'll then be provided a link to the event, which will be held via Zoom.

This is a special Service for seekers living in Nevada and California only, so please feel free to invite your family and friends. We look forward to seeing you there!

Update on ECKANKAR Group Events

At this time, **the Eckankar center will remain closed except for special Eckankar activities.** Eck Light & Sound Services and Sound of Soul events will only be held via Zoom. During the next couple of months, Eckankar will continue to evaluate the next best steps for public events.

In lieu of public gatherings, we are holding Eckankar book and spiritual discussions and Sound of Soul events via Zoom. Please visit the [Reno Spiritual Explorations](#) group on Meetup. You'll find listings of discussions being held via Zoom.

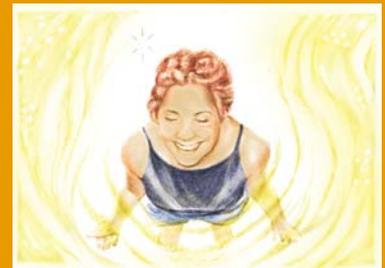

- To access and download Zoom – it's free! – go to [Zoom.com](#) and follow the prompts for downloading the app to your computer, laptop, or tablet.
- If you'd rather use your smartphone, go to the apps store on your phone and do a search for Zoom. Download the app called "Zoom Cloud" and then follow the directions.

ECK Spiritual Quote

The Heart of God

The quickest way to put your state of consciousness in the heart of God is to sing *HU*. Just sing *HU* to yourself a few times with love. You'll notice that something changes.

New Children's Area

We are excited to announce that the Reno Eckankar Center has a new addition: a special area for young children, providing Eckankar-inspired activities. Feel free to tell family and friends that we have a lovely space for the youth.

A Carrier of Love

In most spiritual traditions, sound plays a part in uplifting the individual.

Religions such as Christianity, Judaism, and Buddhism have made use of sound in the form of hymns, chants, and prayers to help open the heart and go beyond intellectual knowledge. Muslims, Sufis, and Hindus chant or sing the holy names of God in their monasteries and temples around the world.

We are involved with the uplifting nature of sound and music every day.

Look at the positive feelings inspired by songs with personal meaning for us. Just hearing a familiar melody opens us again to another time and place.

And consider that our mother's heartbeat is one of the first sounds we experience in this world; then comes her voice. When she sings a lullaby, it's a carrier for love to her child.

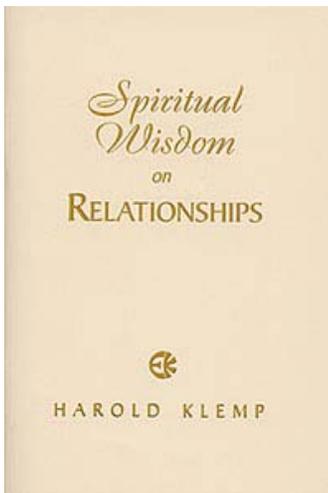

In a similar way, HU is a carrier of love between you and God.

Spiritual Quote

"Each of us is Soul, and we are here to learn lessons. One of the great lessons is to learn to love yourself, because until you can do that, you cannot learn to love someone else."
